

"Be the change you wish to see in the world." – Mahatma Gandhi

"They are children,  
our own children.  
They are happy, they are sad  
They are burdened,  
they are free.  
They are children,  
God's own children  
Given to this land  
from sea to shining sea."  
*Miriam Martin, PBVM*

As you may know, our annual **Celebrating Canada Day** is a kaleidoscope of moments to express the "joy of Canadian-ness." One of the opportunities presented is for the kids to engage in finger painting. We share with you a delightful collage, pictured above, as seen through the eyes, hearts and creative spirit of the kids.

## Congratulations!

Colette Mumbeya (Congo) recently graduated from York University with the degree Health Studies. God's blessings on your job search, Colette
