

LORETTO SISTERS' TERESA DEASE LECTURE SPONSORED BY BECOMING NEIGHBOURS

Daniel Groody, CSC with
Evanne Hunter, IBVM

Immigration is a complex issue that is changing the face of cultures worldwide. It is often controversial with many social, economic, political and even religious complications. In the debate, what often gets lost are the human issues at stake. Daniel Groody, CSC helped us look at the human face of migrants exploring who they are, why they leave their homes and what they face in their journey. He explored the places of conflict, pain and HOPE in the human struggle for a more dignified life and the search to find God in the midst of it all.
