

INTERNATIONAL MOTHER EARTH DAY

APRIL 22, 2013

Celebrates the interdependence that exists among human beings, other living species and the planet. It acknowledges that the Earth and its ecosystems provide its inhabitants with life and sustenance and recognizes a collective responsibility, as called for in the 1992 Rio Declaration, to promote harmony with nature and the Earth to achieve a just balance among the economic, social and environmental needs of present and future generations of humanity. www.earthday.org

SPRING

FESTIVAL

Approximately 150 guests from 18 countries around the world gathered for our **Spring Festival**.

We prayed, shared some food, played soccer, visited Annette's Boutique, shared some "stuff of the heart" and enjoyed each other's company.

Go and rejoice, sing a new song.
Go and rejoice, dance a new dance.
Our God is God of the song and the dance.
Love is the song, joy is the dance.
Sent forth as one to share stories and dreams;
we go forth to listen, to the challenge, to grow.

—"Go and Rejoice", Kathy Sherman, CSJ

SEEING SPRING AND EASTER

In his Easter Vigil Homily, Pope Francis shares:

“our daily problems and worries can wrap us up in ourselves. --- Trust, do not be afraid, the Risen Jesus is with you. He will give you the peace you are looking and the strength to live as He would have you do.”

- Faith, Sonia, Daniel and Kelvin were baptized at the Easter Vigil at St. Augustine of Canterbury Church on March 31, 2013. Faith’s family companion is Eva Janning, CPS, who accompanied Faith in her RCIA journey. Prayer partners are Josephine Johnson, CPS for Faith, Maria Lang, CPS (A) for Sonia, Mary Martin Pitti, CPS for Daniel and Mary Ryan, CPS (A) for Kelvin. Pictured also is Ken, a member of the Becoming Neighbours staff who was invited to be the godfather of Daniel.

- The asylum claim of Patricia and her two children has been accepted. She shared the news in an email: *“It was truly a “miracle” that’s what my lawyer said. I definitely believe it was a miracle “concedido por” the power of communal intercessory prayer.”* Family companion is Karen Volpe; prayer partners are Grace Sauve, CSJ and Gordon Walker, CSB.
- Fernanda, a member of the Latina Women’s Group, recently safely delivered a baby girl, Michelle.
- Recent members of the Latino/Latina Men and Women’s group who have received acceptance as Refugee Claimants include Elso, Sandra and children Ashley and Jennifer and Johana, Jhon with their son Alejandro.
- The first newcomer to be matched was Anmar. He was matched with Rosemary Albon, IBVM as his companion and with Michael Brehl, CSsR and Mary Carol Lemire, CSJ as his prayer partners. He emailed: *“I am currently in Saskatchewan practicing as a family physician and loving it and married awaiting our newborn next week. I have been really blessed in Canada. Wonderful people around me!”*

NEW POSSIBILITIES BREAKING FORTH WITHIN US

“Easter is the promise that God, who loves us beyond telling, can meet us in any situation in which we find ourselves, however dire, for example, a recent medical diagnosis, accompanying newcomers who wait for the results of their hearing at the Refugee Court, the death of a loved one, or the withering of planet Earth. God meets us in these experiences and activates possibilities for transformation.

It is the Easter promise that God’s love knows no end, no limits in us and that even when all is dark and it feels like we have come to the end of our ropes, new possibilities can break forth in our hearts.

Let us remember those new possibilities that have broken out in our lives in the past. Let us become aware of the possibilities

breaking forth within us in the present moment.” (Adapted from John Surette, SJ)

YES, WE ARE AN EASTER PEOPLE AND ALLELUIA IS OUR SONG!
