

SENDING YOU A WARM GREETING FROM CARLOS, ELVIA AND ADRIANA

As you may remember, we sought your prayers for Carlos, Elvia and Adrianna. They were very involved with the ministry of Becoming Neighbours as members of the Latina Women's Circle and the Latino Men's Group. Deported from Canada and returning home to Columbia while crossing the border between Canada and the United States, Carlos was thrown into a mens' detention centre and Adrianna into a women's detention centre. As you can imagine, this was a very traumatic moment not only for them but for all of us at Becoming Neighbours who have grown in solidarity with them. Received this email on November 12, 2013 and thought it was important to share with all of you who have held them in your hearts and prayer.

"To our beloved friends at Becoming Neighbours, we thank you for all the support received while we lived in Canada, it was a time where we learned many things and got the opportunity to learn many things from such amazing persons like you all are. We know that you are still praying for us, thank you! We are very thankful, thanks for all your love, generosity, comprehension and collaboration. Each of you left a special mark on us, Father Peter, Father Frank, Father Gino, Sisters Noreen and Annette, Luis Lopez who never left us, he was always there for us. We cannot forget about Micheline Karvonen she is a great friend and companion and Sister Ann McGill, our prayer partner. Elvia misses Micheline a lot and says that she is a very kind lady, all of our friends that we met at Scarboro Missions; Elmer and family, Jose and family, Rodolfo and family, Luis and family, Johana and family and many others that were of great support

to us. We have nothing but blessings for all of you, if we ever did something wrong we ask for forgiveness. Please keep praying for us so that God will do his will and our status could be solved, because there is nothing impossible to our God.

May God continue blessing all of you, we miss you all."

CHALLENGE

PEACE within comes from deep connection with God, with finding the path to which God is calling you in this moment. Peace without comes from actions that breathe peace into the world, one creation, one friendship, one kindness at a time.

How are you breathing peace into the world today? (CSJ Communications)
