

How to Build Global Community

Think of no one as “them”
Imagine other cultures through their poetry/novels
Listen to music you don’t understand. Dance to it!

ACT LOCALLY

Notice workings of power/privilege in your culture
Look for Fair Trade and Union Labels

ACQUIRE FEW NEEDS

Learn a second (or third) language
Visit people, places, cultures – not tourist spots

KNOW YOUR HERITAGE

Honour everyone’s holiday
Look at the moon and imagine someone else,
somewhere else, looking at it too!

Read the UN’s Declaration of Human Rights

Understand the global economy
in terms of **people**, **land** and **water**

Have a pen/email pal. Honour indigenous cultures

Assume that many others share your DREAMS

Eat adventurously! Eat vegetables, beans and grains

Never believe you have a right
to anyone else’s resources.

BECOMING NEIGHBOURS:
PRESENCE, PRAYER
AND SOLIDARITY

PERSONAL CHALLENGE

Today is Valentine's Day!

Challenge yourself to do at least one act of love in your life, your neighbourhood, your city, your world. Visit members in the infirmary, write a note of caring support to your Congregational Leader, phone a newcomer and offer a listening heart. Whatever it is, offer your heart to warm the heart of someone else. There is a good chance your own heart will end up singing! Embody hope and carry healing into the world to one person, one seemingly small action at a time.

BE GOD'S VALENTINE!
