

LENTEN PRAYER FOR THE EARTH

We pray for the Earth wounded by our greed.

Call us to remember that the Earth is Yours
and that we hold it in trust for future generations.

Help us to change our actions
so that we live more lightly on the Earth,
using only what we need and no more.

Help us to respect and celebrate the gifts
You offer us through Your Creation
and to never take them for granted.

God will provide for the world's every need
– if we respect the Earth. Amen.

Prayer to End Human Trafficking

O God, you always hear the cry of your people
and have compassion for the oppressed and the enslaved.
May they experience the liberation of the cross
and the resurrection of Jesus.

We pray to you for those suffering
the torment of human trafficking.

Transform us by the power of your Spirit,
to be sensitive to the pain of these, our sisters and brothers.

Committed to overcoming this evil,
give us the courage to stand up and work for the rights
of our sisters and brothers
who live in slavery and exploitation.

We ask this with the intercession
of St. Josephine Bakhita in Christ our Lord. AMEN!

"Human trafficking is a crime against humanity"
– Pope Francis

We are poor. Our allies are few. But we have something the rich do not own.
We have our own bodies and spirits and the justice of our cause as our weapons.

MARCH 22, 2014: WORLD WATER DAY

Water and Energy focuses the world's attention on the water-energy nexus: on inequities for the 'bottom billion' who live in slums/impoverished rural areas and survive without access to safe drinking water, adequate sanitation, sufficient food and energy services. It aims to develop policies that lead the way to energy security and sustainable water use in a green economy. [Click Here.](#)
