THE MEAL THAT MAKES US FAMILY AND FRIENDS

"We all need to eat and drink to stay alive. But having a meal is more than eating and drinking.

It is celebrating the gifts of life we share.

A meal together is one of the most intimate and sacred human events. Around the table we become vulnerable, filling one another's plates and cups and encouraging one another to eat and drink. Much more happens at a meal than satisfying hunger and quenching thirst. Around the table we become family, friends, community, yes, a body. That is why it is so important to "set" the table. Flowers, candles, colourful napkins all help us to say to one another, "This is a very sacred special time for us, let's enjoy it!" (Henri Nouwen)

DANCING WITH GOD

As Barbara Grozelle, CSJ, her family companion, shared: “Janet is now Dancing with God.” No matter what, Janet loved life. Arriving in Canada in 2002 she very quickly, in her own quiet way, went about putting in place the necessary arrangements to welcome her children to Canada and for all of them in 2007 to be reunited as a family. Our experience of Janet’s deep abiding faith, her trust that “God looks after me,” her unconditional love for all people and her capacity to bring God’s forgiveness and hope to others caused all of us to become better persons. Janet and Barbara, although not biologically sisters, became “sisters by choice.” Janet taught us how to care deeply “for our dear neighbour” and in the process our hearts and hers were transformed. She brought out the best in each of us and developed bonds among our congregations as we walked with her.

Janet truly lived the paschal mystery and is now truly Dancing with God!

May the perpetual light be with Janet.
