Selene Dominguez Florean, who participated in the Kenya Leadership Program, writes: *“This has been an once-in-a-lifetime experience that I will never forget, 20 days of pure experiences and emotions that are beyond beautiful. It is funny how I went under the impression that I was going there to help and teach the children, it ended up being the other way around. Those children have taught me more about life than I could ever teach them. They taught me about appreciation, happiness, love and family.”*

Now beginning Grade 12 at Notre Dame Catholic High School, many of you will know of Selene as she has been very involved with the ministry of Annette’s Boutique. Prayer Partners are the Vasquez family.
