

WE ARE CALLED TO BE PEACEMAKERS

For the 2015 World Day of Peace, Pope Francis challenges all of us to recognize every other person as a brother or sister with God-given dignity. Such recognition, he says, will lead to peace. [Read More](#). For Pope Francis' annual message, [click here](#)

NEW

YEAR

WORLD DAY OF MIGRANTS AND REFUGEES

January 18, with its theme
"Church without frontiers, Mother to all"
focuses on "the victims of new forms of poverty and slavery." He begins his message recalling Matthew 25: "I was a stranger and you welcomed me," and reminds us the Church is "a pilgrim in the world and the Mother of all, particularly in the poorest and most abandoned, migrants and refugees, who are trying to escape difficult living conditions and dangers of every kind."

Francis declares "The Church opens her arms to welcome all people, without distinction or limits, in order to proclaim that 'God is love.' From the beginning, the Church has been a mother with a heart open to the whole world, and has been without borders. The Church without frontiers, Mother to all, spreads throughout the world a culture of acceptance and solidarity, in which no one is seen as useless, out of place or disposable.

Steeped in History

Partnered with the students of Loretto Abbey were 13 Loretto Sisters with 3 students each. They met three different times throughout the school year so

that the students were able to dialogue with their Sister and, at the same time, document their living history for the Loretto archives. Students got to ask questions about each sister's life while seeking guidance in their own lives. Through this, the Loretto Sisters were able to mentor the students by shedding light on their own lives and philanthropic work. Students presented a gift that they created which encapsulated the learning and wisdom received from each Loretto Sister. Pictured with Loretto Abbey students is Edna Martin, IBVM, the prayer partner with Bella Galima-Ingabire. [Click for more info.](#)

To our friends at Becoming Neighbours

Elvia, Carlos and Adriana were deported back to Columbia. On their way they were imprisoned by the

immigration services of the US. Now released we received this email: *"We thank you for all the support received while we lived in Canada, it was a time where we learned many things and got the opportunity to learn*

many things from such amazing persons like you all are. We know that you are still praying for us, thank you! We are very thankful for all your love, generosity and collaboration. Each of you left a special mark on us. Wishing all of you had an amazing Christmas surrounded by the love of friends and family. We are very happy to announce that our son and brother and his wife are expecting a baby what a blessing!!"

Luis Lopez, SFM was the family's companion, Micheline Karvonen personal companion with Elvia with Anne Marie Marrin, CSJ prayer partner for Carlos and Elvia and Ann McGill, FCJ with Adrianna.

All living creatures are sparks of the radiation of God's brilliance, and these sparks emerge from God like rays of the sun.

If God did not give off these sparks, how would the divine flame become fully visible?

In solidarity with Maggy

"We were deported! Life can be so sweet, but sometimes life could be so bitter. I am dying silently with my lovely children where we are right now. I can't provide for them. No food, house, clothes, no school for them. What has the world turned me into. You can't imagine what I am going through with my kids and they are Canadian born children. They are sick and I am worried! If anything happens to my children, my good GOD, will never ever forgive the Canadian government. My case is in GOD'S hands. I LOVE YOU ALL. MAGGY" BN staff accompanied Maggy with Teresa Garvey, CSJ as prayer partner.
