

Intercessory prayer is like a “leaven” in the heart of the Trinity. It is a way of penetrating God’s heart and discovering new dimensions which can shed light on concrete situations and change them. We can say that God’s heart is touched by our intercession yet in reality God is always there first. What our intercession achieves is that his power, his love and his faithfulness are shown ever more clearly in the midst of the people. (Evangelii Gaudium 282)

We believe: *with God, all things are possible!*
