AGAINST POVERTY AND INEQUALITY

INTERNATIONAL DAY FOR THE  
ERADICATION OF POVERTY

*Building a Sustainable Future: Coming together to end poverty and discrimination promotes the awareness of the need to eradicate poverty and destitution in all countries.*

This **October 17** is an opportunity for us to join:

Calls for vigorous/sustained action by the federal government to combat the structural causes of poverty.

- We want a federal plan for poverty elimination that complements provincial/territorial plans.
- We want a federal anti-poverty Act that ensures federal commitment/accountability for results.
- And, we want sufficient deferral investment in social security for all Canadians.

Together, we can eliminate poverty in Canada!
