

Dear Friends, greetings from Becoming Neighbours!

As we journey together through the days of the four weeks of Advent leading us into Christmas, it seems most fitting that like Mary, who throws open the doors of her heart and runs to encounter, visit, and be with Elizabeth, that we, too, are on a journey and are being invited to throw open the doors of our hearts and welcome all refugees.

**With this same spirit of the HOPE of Advent stirring in us**

we are looking forward to welcoming you to:
