

To all our dear friends, HAPPY AND BLESSED CANADA DAY!!!

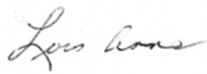

On Saturday, July 01, our vast country will celebrate 150 years as a nation. On this day in 1867 we became a federal state, officially designated as a Confederation.

As you can imagine, this is a real significant moment for all of us at Becoming Neighbours. In past years we have always celebrated Canada Day at High Park with a joyous festival of music, artistic expression, food, friendship and gratitude to God for our shared belonging as a people living in this land Canada.

Unfortunately this year it is not meant to be. Due to unforeseen circumstances, we have had to **CANCEL** our Canada Day Celebration in High Park. We hope to put in place another summer/fall celebration that will bring us together, strengthen our communities and help us to understand the significance of what it means to be residence in Canada.

We will send a special *Fridge Notes* to share with you free events, to help us celebrate Canada Day on Saturday, happening in the Toronto area to celebrate Canada Day.

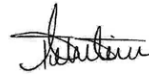

Celebrating Canada Day, together let us hold each other and our earth in our hearts.
