REMEMBRANCE DAY NOVEMBER 11, 2017

POEM TO COMMEMORATE NOV. 11

The red poppy has become a familiar emblem with the poem "In Flanders Fields". These poppies bloomed across some of the worst battlefields of Flanders (Belgium) in World War I. Their brilliant red colour is a symbol of the women and men who gave their lives.

*"In Flanders fields the poppies blow
between the crosses, row on row,
that mark our place; and in the sky
the larks, still bravely singing, fly,
scarce heard amid the guns below.*

*We are the Dead. Short days ago
we lived, felt dawn, saw sunset glow,
loved and were loved,
and now we lie in Flanders fields.*

*Take up our quarrel with the foe;
to you from failing hands we throw
the torch, be yours to hold it high.
If ye break faith with us who die
we shall not sleep,
though poppies grow in Flanders fields."*

-John McCrae

Remembrance Day is a public and Federal Statutory holiday of remembrance for the women and men who have served and continue to serve our country during times of war, conflict and peace. It is observed on 11th day of November to recall the end of hostilities of World War I on that date in 1918.

Each year, from November 05 to 11, ceremonies and events take place across Canada to commemorate Veterans' Week. There are so many ways to remember and honour our Veterans and commit ourselves to peace:

- ◇ Wear a poppy
- ◇ **Observe a moment of Silence at 11:00 am**
- ◇ Plant your own [Garden of Remembrance](#)
- ◇ Thank a Veteran by sending a [postcard for peace](#)

WITNESS OF CATHOLIC SOCIAL TEACHING

PADRE LUIS QUINN SFM is “the” example of **solidarity**. He devoted his existence to serving the poor of Ocoa and living with them in solidarity. His life was dedicated to helping the poor have a better life.

He wrapped his existence with that of the people of San Jose de Ocoa simply because they were his **brothers and sisters in Christ**. He worked to ensure **economic justice** for small farmers so that his neighbours could live with **human dignity**. He is a testament to the empowering effects of true **solidarity and love**.

With joy and gratitude to God, on Oct. 14, the **Becoming Neighbours Latina Women’s Circle** celebrated their Fifth Anniversary of Inception. What amazing women! In these five years they have moved from postures of isolation into a sense of community grounded in mutuality and a deep concern for inclusiveness and reconciliation. They have supported and celebrated each other in the mysteries of life, from birth to death, and all the “stuff in- between”.
