

Warmest Greetings of Solidarity and Hope to Our Dear Friends!

Can you feel it? Summer is coming! Our Earth is awakening to a new season of growth and life for all creation to enjoy. Amidst the newscasts that tempt us to lose heart, we can be grateful to God for nature's newscasts abounding with the sights and sounds of new possibilities and new life with **SOLIDARITY** and **HOPE** blossoming around us.

The invitation of this special issue of *"Fridge Notes for Companions"* is a call for all of us to be in solidarity with each other and especially at this time with the LORETTO SISTERS (IBVM) and the CONGREGATION OF OUR LADY OF SION, two of the sponsoring Congregations of the ministry of Becoming Neighbours and with the school community of Loretto Abbey Catholic High School who in the past have assisted us with clothing drives for Annette's Boutique.

*May these moments and the stirrings of Pentecost within our own hearts
continue to urge us to be pockets of hope and Solidarity"*

Lois Anne Bordowitz, FCJ
