

2019 | INTERNATIONAL YEAR OF
Indigenous Languages

Languages around the world continue to disappear at alarming rates. The large majority of the languages in danger are spoken by indigenous peoples, placing at risk the respective indigenous cultures and knowledge systems. Drawing attention to critical loss of indigenous languages and the urgent need to preserve, revitalize and promote them at both national and international levels, the UN General Assembly proclaimed 2019 as **International Year of Indigenous**

Feb 08 Feast Day of St. Josephine Bakhita, FDCC

O God, you always hear the cry of your people and have compassion for the oppressed and the enslaved. May they experience the liberation of the cross and the resurrection of Jesus.

We pray to you for those suffering the torment of human trafficking.

Transform us by the power of your Spirit, to be sensitive to the pain of these, our sisters and brothers.

Committed to overcoming this evil, give us the courage to stand up and work for the rights of our sisters and brothers who live in slavery and exploitation.

We ask this with the intercession of St. Josephine Bakhita, in Christ our Lord. AMEN!
