*"The quest for divine beauty impels consecrated persons to care for the deformed image of God on the faces of their brothers and sisters, faces disfigured by hunger, faces disillusioned by political promises, faces humiliated by seeing their culture despised, faces frightened by constant and indiscriminate violence, the anguished faces of minors, the hurt and humiliated faces of women, the faces of the elderly who are without even the minimum conditions for a dignified life and the tired faces of migrants who are not given a warm welcome."*
