"Why are we Here?" Meditation on Canada

Speaker: Mary Jo Leddy

Thursday May 16 7:00PM-9:00 PM

St Bonaventure's Parish 1300 Leslie St.

Today Canadians face multiple challenges: socially and environmentally within democratic institutions. At times it is difficult to hold fruitful dialogues with our neighbours and family when we may not share the same vision for Canada.

Becoming Neighbours Latina Women's Circle

continues to meet at 3PM, every third Saturday of the month with amazing members who support and call forth the best in each other. We express our heartfelt gratitude to DORA LUZ CARMONA, ISABEL GARCIA and ANGELICA LOPEZ for their gift of co-facilitation.

May 24 marks the 4th anniversary of “LAUDATO SI” in which Pope Francis challenges us that “There has been a tragic rise in migrants seeking to flee from the growing poverty caused by environmental degradation. . . . We need to strengthen the conviction that we are one single human family...

the poor and the earth are crying out.”

Canada warming at twice the global rate, climate report finds

Released this week, Canada's Changing Climate Report provides the first in-depth, stand-alone assessment of how and why Canada's climate has changed, and what changes are projected for the future. Effects of widespread warming are already evident in many parts of Canada and are projected to intensify in the near future.

Canada is experiencing increases in precipitation, extreme fire weather, water supply shortages and a heightened risk of coastal flooding. CBC Canada: [Click Here](#)

Decolonization and Climate Change

First Day: 7:00 PM—9:00 PM Wed. May 22

Second day: 9 AM-3:30 PM Thurs. May 23

The Mary Ward Centre, 70 St. Mary Street

“High levels [per capita] of greenhouse gas emissions in Canada can be understood as a long-term impact of the settler-worldview with its focus on exploitation for profit. Can the transforming and unsettling process of decolonisation draw us, as individuals and as a society, into a new worldview, new relationships with land, water and each other.” [Click here](#)

Felician Sisters’ tips to make a concrete difference:

- o Start your own garden, or create a community garden in your neighborhood.
- o Stop buying bottled water and fill your own containers with tap water. Install a faucet filter .
- o Spend more time walking outside and biking, which keeps you more connected to your community and the environment. Leave electronics at home.
- o Pick up litter when you see it.
- o Take an online carbon footprint test. There’s plenty available with a Google search.
- o REDUCE, REFUSE, REUSE, AND RECYCLE.
- o Pray for those working for the environment and contact elected officials to advocate for creation.
