CONGRATULATIONS TO JOHANA, JHON AND ALEJANDRO!

"After seven years of many joys and experiences that have enriched our lives, we received our Citizenship at a ceremony on April 16. You can imagine how our hearts feel grateful to God for receiving this blessing.

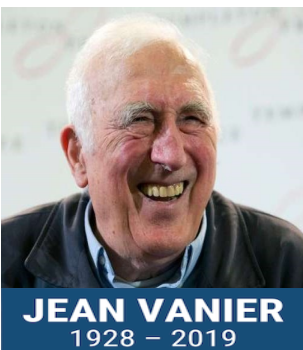

Best of all, the gift that a friend made to our family ... that gift was the confirmation that God has always been with us. My friend gave me this beautiful image of St. Joseph, for whom I profess an immense devotion.

Let's invite St. Joseph into our hearts through prayer to keep safe Canada and help our country. We continue praying for families in process with immigration."

Family prayer partner is FLAVIE BEAUDET, Johana, Jhon and Alejandro are prayer partners with SELENE FLOREAN. In gratitude for how God has used Johana, Jhon and Alejandro as instruments of HOPE for the Latino community!

"When a rusty cargo ship carrying Mahindan and five hundred refugees from Sri Lanka's bloody civil war reaches Vancouver's shores, the young father thinks he and his six-year-old son can finally

start a new life. Instead, the group is thrown into a detention processing center, with speculation that among the "boat people" are members of a separatist militant organization responsible for countless suicide attacks-and that these terrorists now pose a threat to Canada's national security."

"JAILED MIGRANTS HAVE RIGHT TO CHALLENGE DETENTION BEFORE JUDGES: SUPREME COURT"

The availability of this remedy puts immigration detainees on equal footing as other individuals ... This is a significant step forward for the rights of the detainees to be respected and upheld. This is one more tool, but more importantly, this is one more large step on the road to the abolition of immigration detention."
