TO LIVE EVERYTHING

“Be patient toward all that is unsolved in your heart and try to love the questions themselves, like locked rooms and like books that are now written in a very foreign tongue.

Do not now seek the answers, which cannot be given you because you would not be able to live them. And the point is, to live everything. Live the questions now. Perhaps you will then gradually, without noticing it, live along some distant day into the answer.”

LIVING SOLIDARITY, CREATIVITY AND HOPE

ROSIE WILLIAMSON, OLM matched with Huda, shared: *“I have been emailing Hoda questions from the booklet for citizenship and calling her on the phone to go over the questions and answers. Today she forwarded me some homework with videos from the teacher of her ESL class so I will call her again today and help her with this homework. If this continues, I will focus on this work from the teacher. I think she is doing very well and do try to encourage her.”*

LUIS LOZANO shared: *“Veronica, Pamela, Daniel and I are doing well. I am the only one that still working in a grocery store (essential service), Veronica and Pamela are temporarily laid-off (they were working in childcare) but applied to receive Emergency Benefits. Daniel is studying online. We are praying for all Becoming Neighbours and all the people who are in critical need especially newcomers and refugees.”*

As you know, celebrated every year on April 22, **EARTH DAY** is the largest environmental event in the world.

In the past, more than seven million Canadians including nearly every school-aged child, have participated in an Earth Day activity in their communities.

For all of us, Earth Day is a challenging invitation to foster and celebrate environmental respect, action and behavior that lessens our impact.

Tomorrow, Wednesday, April 22, 2020 Mother Earth Day

Theme: CLIMATE ACTION

Enormous challenge — but also vast opportunities — of action on CLIMATE CHANGE have distinguished the issue as the most pressing topic for the 50th anniversary.

Because of the virus, gatherings will not be possible.

There are virtual things happening:
