*"The quest for divine beauty impels
consecrated persons to care for
the deformed image of God on
the faces of their brothers and sisters,
faces disfigured by hunger, by political
promises, faces humiliated by seeing
their culture despised, frightened
by constant and indiscriminate violence,
the anguished faces of minors,
the hurt and humiliated faces of women,
the faces of the elderly
who are without even the minimum
conditions for a dignified life
and the tired faces of migrants
who are not given a warm welcome."*
