Solemnity of the Assumption of Mary

To all of our dear *Becoming Neighbours* friends,

As you know, the ministry of *Becoming Neighbours* is all about people and relationships, ordinary members of women and men religious congregations with their associates and friends offering and receiving extraordinary mutual gestures of prayer, presence and solidarity with newcomers and refugees.

Part of the vision that sustains *Becoming Neighbours* is to encourage and strengthen relationships among people and among religious congregations. It is in this spirit that we are pleased to share with you this Fridge Notes which honours our companions, prayer partners and friends who are celebrating anniversaries of Religious Profession and Ministerial Priesthood. We may have inadvertently missed mentioning names of folks who are celebrating anniversaries and if so, please let us know!

Join with us in celebrating these anniversaries by:

- Reading the list of the names of those celebrating.
- Staying with the person whose name lingers in your heart.
- Giving thanks to God for the life and ministry of this person
- Listening to how God is speaking to you as to how this person touches/inspires you.
- Reconnecting by phoning, sending an email, placing this person before God to express your gratitude.

In the sharing of our journey, each one of us has taught each other more about the mysteries of LIFE and for all of this we say thank you!

Join us in expressing gratitude to God for the witness of their lives and ministry for all that has been and for all that will be!!!
