

To all of our dear friends, we encircle you with God's love, light and peace ---

" every day somewhere in the world the nativity scene is alive."

The gift of Christmas -
Power and powerlessness united
God as refuge and as refugee
Through this experience of awe and wonder
Knowledge and love, WE become ONE.

In Solidarity and Hope, FRANCES BRADY, OLM and MARY JANE LEONARD, CND, companions and members of the BN Board of Directors, creatively and lovingly coordinated others to welcome Presentation Manor residents and staff to receive gifts for the body and heart. They created special window displays of winter clothing from which refugee families could select a special Christmas treat!

For all of this we give thanks to God and in this spirit of gratitude invite you to [click here](#) to view a short-film sent to us by Raymond Pierce CSsR.

During this FESTIVAL OF LIGHTS, together,
let us continue to be the "compass of God" for our dear neighbour and for our earth,
