The International Day of Prayer and  
Awareness Against Human Trafficking  
A light against Trafficking

“The International Day of Prayer and Awareness against Human Trafficking 2021 brings into the spotlight one of the main causes of human trafficking: the dominant economic model of our time, whose limits and contradictions are exacerbated by the Covid-19 pandemic. Human trafficking is an integral part of “this economy”: victims of trafficking are as “commodities” falling into the mechanisms of a globalization ruled by financial speculation and competition spurred by below-cost pricing. Hence the need for a “structural and global” perspective of human trafficking so as to dismantle those wicked mechanisms that fuel the supply and demand of “people to exploit”, because the very heart of the economy is sick.” *(Red Franciscana Para Migrantes)*

### Feb 08 Feast Day of St. Josephine Bakhita, FDCC

O God, you always hear the cry of your people  
and have compassion  
for the oppressed and the enslaved.  
May they experience the liberation of the cross  
and the resurrection of Jesus.

We pray to you for those suffering  
the torment of human trafficking.

Transform us by the power of your Spirit,  
to be sensitive to the pain of these,  
our sisters and brothers.

Committed to overcoming this evil,  
give us the courage  
to stand up and work for the rights  
of our sisters and brothers  
who live in slavery and exploitation.

We ask this with the intercession  
of St. Josephine Bakhita, in Christ our Lord. AMEN!
