Call for a single-tier immigration system, where everyone in Canada has the same rights. All migrants, refugees, students, workers and undocumented people in the country must be regularized and given full immigration status without exception. Migrants arriving in the future must do so with full and permanent immigration status. [Click here](#) to learn more and add your name.

Immigration Policy Updates (United States)

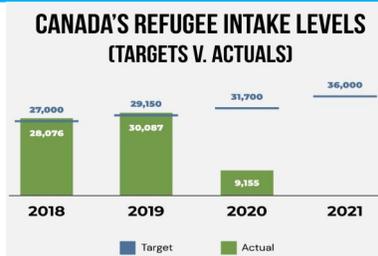

President Biden has [signed a number](#) of executive orders related to immigration, some reversing policies enacted by the Trump Administration, such as those preserving and fortifying DACA, rescinding the “Muslim Ban,” and limiting funding for a border wall. Biden has also sent a bill to Congress entitled the [U.S. Citizenship Act of 2021](#), which will modernize the U.S. immigration system, address root causes of migration, and create a pathway to citizenship for many undocumented migrants.
