

DEAR FRIENDS,

January 22, 2022
Week of Prayer for Christian Unity

Sending you our warmest heartfelt greetings!

We thought that it would be important to send you this abbreviated “Fridge Notes for Companions” in that it is an opportune moment to say **THANK YOU** to each and every one of you for revealing the face of God in the many ways in which you enrich the life and the spirit of the ministry of Becoming Neighbours – with your presence, prayer and solidarity – the sharing of your time, treasure and talents! It is through your commitment to and interest in the ministry of Becoming Neighbours that many newcomers embrace the strength, courage and hope to continue their journey of life wherever God may lead them.

Moreover, as many of you have shared, it is together in this mutual journey that we enter into a contemplative awareness of being **SISTERS AND BROTHERS WITH EACH OTHER AND WITH OUR EARTH.**

During this Week of Prayer for Christian Unity let us awaken our troubled consciences to be with our vulnerability as we face our individual and communal brokenness. Together, let us be “artisans of peace by uniting and not dividing, by extinguishing hatred and not holding on to it, by opening paths of dialogue ...” (*Pope Francis, Beloved Community Summit*).

May we “ALL BE ONE” in our journey of life ...
