

“Requiescat in pace.”

One of the most powerful and touching memories of Pope Francis was during the height of the pandemic. The world was scared, streets were empty, and many felt lost. But there he was—standing alone in the rain in front of an empty St. Peter’s Square—praying for the whole world.

HE CARRIED OUR PAIN, OUR FEAR, AND OUR HOPE IN THAT QUIET, SACRED MOMENT

“GEORGE EDWARDS, FSC helped to establish Senator O'Connor College School in 1963. The school was initially founded by the Brothers of the Christian Schools and the Daughters of Wisdom as John J. Lynch High School. It was named after Senator Frank O'Connor who was a Canadian politician, businessman, and philanthropist. In 2005, Senator O'Connor was rebuilt and is now the current high school being used today.” Recently placed in palliative care, George is now on his journey home to God.
